## Types of License:

### Free Zone

Free-Trade Zone in Dubai, (FTZs) are special economic zones set up with the objective of offering tax concessions and customs duty benefits (usually 5% on most items except alcohol, sweetened, carbonated sugary and tobacco its higher) to expatriate investors. There are more than 30 Free Zones operating in Dubai. FTZs in Dubai and the UAE are governed pursuant to a special framework of rules and regulations.

### Dubai Mainland

A Mainland Company is an onshore company and license to establish the entity is issued by the Department of Economic Development (DED) of the respective emirate. A mainland business is allowed to do business in the local UAE market as well as outside UAE without any restrictions. It is necessary to understand the term "Mainland" as per DED's definition in order for an entrepreneur to take a decision to register a Mainland Company in UAE.
